

ROYAL ENFIELD

The
Timeless Classic

A decade and beyond

Volume 9

The

TIMELINE

For more than a decade, the Royal Enfield Classic has been the most popular motorcycle from our stable. Over the years it has slowly and steadily witnessed modernisation in itself from a technological perspective, yet has stayed true to its post war retro cool design language. Here's a quick glance into the timeline of this motorcycle over the past few years, one that also lists down some of its most popular and beloved avatars.
